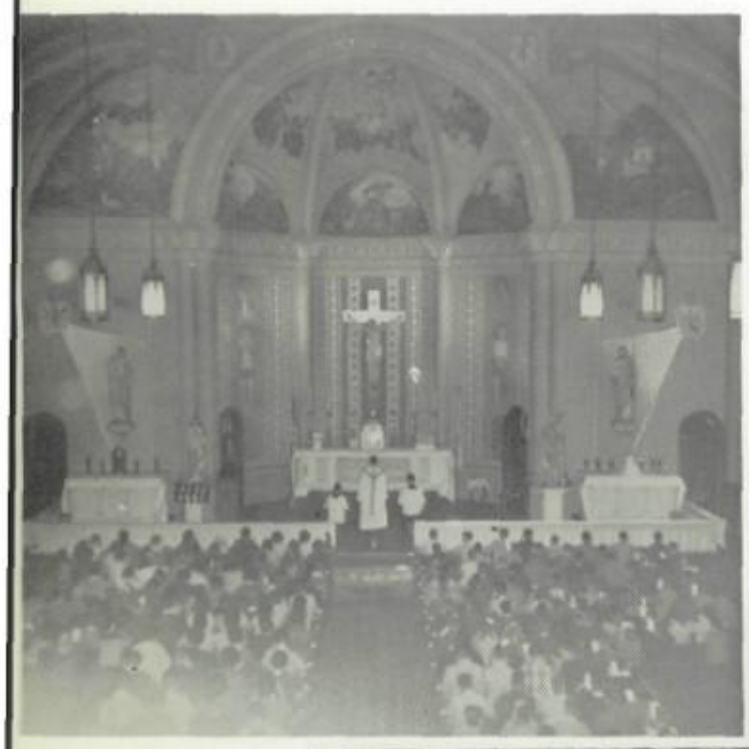
Mass of the Holy Spirit



I will go unto the altar of God;

to God who gives joy to my youth.

My God and my all!

Sweet Sacrament, we thee adore,

Oh, make us love Thee more and more.

Hail, Sacred Blood of

Christ, washing away the

sins of the world! Make

my soul clean and let

nothing ever separate me

from Thee.

Lord, I am not worthy that Thou shouldst enter

under my roof; say but the word and my soul

shall be healed.

DEDICATION

To Mother M. Roselle, who through her capacity of teacher, counselor, and friend; we have found great joys and abundant knowledge, we dedicate this yearbook. Throughout our high school years, Mother has set a high standard of moral courage and a lofty goal which we hope to achieve - if not in this life, certainly in the next. Her sincere interest and faith in us have served as stepping stones to success in our religious and student lives. As we leave Saint Joseph High School, we, the Senior Class of 1962, extend to Mother Roselle our deepest gratitude and thanks, and a promise to remember her always in our prayers. Mother, a fond farwell to you from all of us.

Father's Message

Dear Graduates of the Class of 1962,

As you approach your commencement - the time when you really begin life on your own - I wish you Godspeed on your journey and a few practical suggestions.

Leaving the school that has sheltered you for so many years and parting from friends who have shared your joys and your sorrows can be a heart-rending experience. For most of you in the very near future, the close association with teachers and classmates will be but a prized memory. To keep that remembrance bright over the years, you must so live that were you to meet those associates again unexpectedly, both they and you would be proud of your former comradeship. Be true to your training and strong when tempted to waver. Be kind to all, and, in your humility, be understanding toward the weak and helpful to the needy. Keep your gaze heavenward so that the joy of your Faith may manifest itself in your sunny dispositions and good humor. But above all, LOVE; love all - your God, your fellowman and yourselves, so that when we all do meet again in our true home, we shall just take up again the enjoyment, but this time in a more perfect manner, of our shared happiness here below.

Till we meet again - God bless you always and keep you in His love.

Our Theme

MY CREED

I would be true, for there are those who trust me.
I would be pure, for there are those who care.
I would be strong, for there is much to suffer.
I would be brave, for there is much to dare.
I would be friend to all, to foe, to friendless.
I would be giving and forget the gift.
I would be humble, for I know my weakness.
I would look up--and laugh--and love--and lift.

During our formative years, especially while in school, we have acquired numerous habits. As students of St. Joseph's School we have been taught many good ideas and virtues which we shall carry throughout our lifetime.

As the years pass and the wisdom of age comes, each one of us shall look back to the beloved priests and sisters who have worked so diligently to instill into us the foundation for our entire lives, both spiritual and temporal.

Living in today's world, we owe truthfulness to all who place their faith in us.

For God, ourselves, and those who care for us, we shall strive for spotless purity.

In the trials and hardships of our "civilized" world, we must suffer setbacks and sorrows without cringing.

The challenges of the future are before us, and we can accept and conquer them with the help of the Holy Ghost and His gift of Fortitude.

Everyone needs a friend. We will strive to carry out God's law of charity toward all, regardless of social standing or personality traits.

It is said that it is more blessed to give than to receive. As Christ gave His all for us, we shall try to put this idea into practice and to disregard our own cost and sacrifice.

Christ, the Perfect one, is our Exemplar of humility. With this in mind, we will not be haughty or over-bearing, for we know only too well our own weaknesses.

As young, capable, free and eager citizens of this world, we would set our sights high, live to the best of our abilities, laugh with the joy of our Catholic faith, love with our whole selves, and lift, not only ourselves, but all our acquaintances, to a newer knowledge and a higher level of life.

We Are Proud of Ronald Markert as a Scholar

Ronald Markert is an outstanding student, admired and respected by his loyal friends and classmates. Both his teachers and his classmates have paid tribute to him.

Ron's scholastic abilities have been consistent throughout four year of high school. His Freshman and Sophomore year averages were 95.7. In his Junior year he earned an average of 96.1. Who knows how high his Senior average will go?

A proof of Ronald's leadership and citizenship is shown by his prominence in school functions. He has held an office of his class all through high school; as a Freshman, he was the class treasurer; as a Sophomore, vice-president, and as a Junior and Senior, the class president. His dedication and sound reasoning have made him a strong and able leader.

The future looks bright for this promising student and we all wish him the best of luck now and in the future. May God guide him and help him to attain his goal.

Ron Markert's Varsity career began when he was only a Freshman, but this was not unusual, for he had the great ability. Ron continued to improve the next year and when the season ended, final tabulations showed that he was the top scorer. Ron tallied for 275 points - - truly a tremendous Sophomore year!

Hard as it is to believe, Ron even "went one better" in the Junior year. On Monday, Jan. 30, 1961, he set an all-time scoring record in the RHS gym. In that game he beat the visitors single handed by scoring 63 points in one game - - a feat no other player in any high school game in this county has ever accomplished.

However, this was nothing compared to the colossal finish he had as a Senior. It was in the ninth game of the season that Ron Markert reached the height of success and acclaim. He broke the Clinton County High School Scoring Record with 1085 points. He was well on his way to setting a new, all-time high.

Ron Markert will long be remembered as part of St. Joe's undying tradition for he had brought credit to his school and to himself.

IN APPRECIATION

We wish to thank all those who have in any way helped us in the production of this yearbook - our sponsors, boosters, patrons, and helpers.

There are two in particular who deserve our gratitude - Sister M. Alois, our advisor, and Mr. Steve Suhey, our yearbook firm's representative. We would not have this book without Sister's untiring efforts and Mr. Suhey's ever-obliging assistance; so, to them in particular, we say a very fervent, well-meant, "Thank you."
